

Reliable FPC-1

Zinc-Free FLOOR FINISH

pulimento de piso

This environmentally preferable metal free floor finish contains no zinc or other heavy metals that can be harmful to waste treatment plants. This low odor finish has exceptional durability and flexibility and can be maintained with scrub and recoat procedures, spray buffing or high speed burnishing.

DIRECTIONS FOR USE:

Read entire label before using this product.

Recommended for use on all types of resilient tile flooring and properly prepared hard surfaces. RESTORATIVE MAINTENANCE: Completely remove all old wax,

finish and soil from floor surface following strip procedure instructions on stripper label. Floor surface must be clean, dry and free of residue before finish is applied.

Apply finish in uniform, thin to medium coats using a clean synthetic finish mop or applicator system. Allow each coat to dry thoroughly before applying additional coats, usually 30-40 minutes.

PRECAUTIONARY STATEMENTS:

For institutional or commercial use.

CAUTION: Eye irritant. May cause skin irritation. May cause respiratory irritation. Wear safety glasses and gloves. Wear protective footwear when applying to floor.

FIRST AID: If splashed on skin or in eyes, flush with large quantities of water. If swallowed, drink two glasses of water. Call a physician. If inhaled, remove to fresh air. If not breathing, call 911 or ambulance, then administer artificial respiration, preferably mouth-to-mouth.

Please dispose of this product and waste generated from this product in accordance with all applicable local, state and Federal regulations.

This product meets the Green Seal™ environmental standard for industrial and institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential.
